

Section 3 – External Auditor Report and Certificate 2019/20

In respect of

MARLDON PARISH COUNCIL – DV0240

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2020; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2019/20

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- Section 2, Box 2, the annual precept, does not agree to the figure published by the precepting authority. The figures in Boxes 2 and 3 should read £12,693 and £2,406 respectively. All grants, including Council Tax Support Grant, should be shown in Box 3, as per the guidance notes on the AGAR.
- Section 2, Box 8 does not agree to the bank reconciliation. The figure in Box 8 should read £29,252. There is also a £39 difference between £29,252 and the figure stated in Section 2 Box 7 (£29,213) despite the fact that the smaller authority maintains a receipts and payments basis and so the figures should match. An explanation for this difference has not been provided.
- The smaller authority has not restated the 2018/19 figure when correcting the asset value in Section 2, Box 9. Please note that the Practitioners' Guide allows smaller authorities to use any reasonable valuation method, provided that the prior year figure is restated for consistency and comparability.

Other matters not affecting our opinion which we draw to the attention of the authority:

In the prior year, the smaller authority was exempt from our review, thus we have not reviewed any evidence to support the prior year comparatives on the AGAR.

The smaller authority has not provided an adequate explanation for the variance between the prior and current year values in Box 9 of Section 2

3 External auditor certificate 2019/20

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2020.
