

Marldon Parish Council

PUBLIC CONSULTATION MEETING

Saturday 18th January 2025 10am - 1pm

Marldon Village Hall - Community Room

Under S106 of the Town and Country Planning Act 1990, contributions can be sought from developers towards the costs of providing community and social infrastructure, the need for which has arisen as a result of a new development taking place

The Parish Council has arranged a morning Public consultation to seek your views on just how the Section 106 funds for sport and recreation can best be spent. Village organisations including the Parish Council - involved in sport and recreation - will be attending this event to explain and present their projects

Come along to find out more, ask questions, share your views.
